

Marshmallow STEM Challenge

Here are the supplies needed:

- Marshmallows (or gum drops, Peeps, jelly beans, play dough, etc.)
- Toothpicks (or spaghetti, popsicle sticks, pretzel sticks, straws, pencils, etc.)

Challenges:

1. Create the tallest building without falling.
2. Create the sturdiest bridge without breaking.
3. Create the strongest structure that can hold the most weight.
4. Create a variety of 3-D shapes.
5. Create your own challenge!
