

First

I walked
up the stairs
at grandma's
house
holding a box.

Then

I slipped
on black ice
and landed on
my face.

Next

I couldn't
get up and I
was bleeding
everywhere.

Last

My dad carried
me inside and
put a towel on
my tooth. Then I
went to the
dentist.

Sound

Question

Have you ever
slipped on
black ice?

Setting

It was Christmas
Eve and I was
heading to my
grandma's for
dinner.
