

Design a MAZE

STEM activity

What you'll need:

- paper plate
- straws
- glue (tacky or hot glue might work best)
- scissors
- marble

*If you don't have any of these supplies, get creative and make it work with what you do have!

Challenge:

Make a maze on a paper plate that the marble can travel through. Test it out, and make sure it works! That's it! Have fun! What else could you do to extend this challenge?
